

Greenstone Gold Mines L.P. is a 50/50 joint venture partnership between Centerra Gold Inc. and Premier Gold Mines Ltd. formed for the purpose of the joint ownership and development of the Greenstone Gold Property including the Hardrock Gold Project located in the Geraldton-Beardmore Greenstone belt in Ontario.

CONSULTATION FACILITATOR

Reporting to the Director, Environment and Community Relations, the Consultation Facilitator will develop and implement First Nation and Metis and Community Consultation tools and related documentation to inform key permits required for the development of the Hardrock Project. This role will interact seamlessly with the Environmental Assessment & Permitting Manager, Aboriginal Relations Manager, Community Relations Manager and the Permitting Coordinator. This contractual position is for a nine month period.

PRIMARY RESPONSIBILITIES INCLUDE

- Develop consultation tools including presentations and workshop materials for key areas of consultation to inform permit applications primarily related to environmental matters
- Coordinate workshop logistics in collaboration with GGM's Managers of Aboriginal and Community Affairs
- Facilitate workshops and document consultation input received through written reports
- Participate in site tours and record consultation feedback
- Provide updates to the Record of Consultation
- Draft updates to the consultation narrative for environmental assessment and permitting
- Provide input to permit applications reflecting consultation activities and outcomes
- Ensure that all consultation activities are accurately reflected in the consultation database
- Liaise with expert consultants and GGM staff on technical content of permit application to integrate consultation feedback
- Other project duties, as required

SKILLS AND COMPETENCIES

- Excellent workshop facilitation and consultation skills
- Strong technical understanding of environmental management practices and mining
- Ability to communicate technical information to a non-technical audience
- Public speaking skills and presentation
- Strong computer skills including Microsoft Office
- Excellent written and verbal communication skills
- Excellent report writing and note taking skills
- Strong attention to detail
- Excellent organizational skills
- Ability to manage deadlines in a fast-paced environment, with a minimum of direct supervision

EXPERIENCE, QUALIFICATIONS & EDUCATION

- 8 to 10 years of First Nation and Metis consultation experience
- Mining and environmental assessment experience considered an asset
- Experience maintaining Records of Consultation
- Science degree or environmental technical diploma, or equivalent

LOCATION

This position will require frequent travel to Geraldton, on an almost full time basis.

HOW TO APPLY

To submit your resume, please visit www.greenstonegoldmines.com/careers or email a resume to hr@ggmine.com by December 22, 2017.

We thank all candidates for their applications, however, only those selected for an interview will be contacted.

Greenstone Gold Mines is committed to inclusiveness, equity and accessibility. We encourage all qualified candidates to apply. Accommodations are available on request for candidates taking part in all aspects of the selection process.
