

Reserve your seat at the KKETS Construction Craft Worker Training Program

in partnership with Discovery House

Fall 2022 - 2025

Be part of a construction project in your community of Eabametoong, Webequie, Marten Falls, Neskantaga and Nibinamik.

You will receive:

- online and in-person training
- training in construction (road, facility, and construction design)
- paid wages
- learning equipment and uniforms provided
- full-time work opportunities available in the community after completion

Must be a Matawa community member between the ages of 16-30 years old to apply. Previous applications received are still eligible.

Applications must be completed in full to qualify.

Please contact your Employment Community Counsellor for more information or contact:
